

## Lagertechnik und Fördertechnik

Effiziente Lösungen und hohe Fertigungskompetenz für Lagersysteme

### We stand for:

We create order in the warehouse and in the warehousing process. From robust stacking boxes and container concepts through to complex racking and storage systems: we supply everything from a single source. As a financially independent family company, we stand for the highest levels of project safety.

### Our strengths:

Our specialist in-house expertise makes us independent from standard market system solutions. We develop innovative products and made-to-measure solutions that provide our customers with the efficient organisation of their goods for storage and transport. In the field of conveyor systems, we are the leading solutions provider, in particular for industries such as pharmaceuticals, cosmetics and multimedia.

### The benefit to you:

Our range of products and services gives customers short and direct access to the best solutions. Our expertise provides these customers with made-to-measure, innovative project implementations. Our comprehensive network of branches and our worldwide presence ensure that we are always on hand, around the globe.
